**Re: Request for information under the Freedom of Information Act 2000**

Your request for information under the Freedom of Information Act 2000 has now been considered and the council's response to your questions, included below, is as set out here:

***Please provide any documents that show details of the plans to decant the residents from Cambridge Road Estate, showing where they might be decanted to, for how long, estimated costs, who will cover these costs etc.***

***If there are no such formal documents, please ask the senior officers in each of the relevant department whether they, or any of their staff were party to any such discussions and what form these took (verbal, email etc) and use this information to inform and narrow your search of your records to locate any that are relevant.***

Please find attached the decant policy documents for Cambridge Road Estate Secure Tenants and Leaseholders and Freeholders. These documents, which were approved at the Housing Sub Committee in March 2018, outline the Council's commitments to residents with regards to the decant. Further information and minutes of the meeting can be found at
